

We would love for you to join us this summer as we continue to dive into God's word and build relationships with other women. It is a relaxed atmosphere where we initially meet as a large group and then break into small groups for discussion.

## *Women's Ministry*

We are an active ministry that desires to encourage and mentor women to grow closer to Jesus and each other; to embrace and share the gift they received as daughters of the King. Every woman has a history, a testimony, and a journey with the Lord that is unique just to her. Our desire is to create ways for women to grow in their walks with Christ and to share who they are with one another.

*"Two are better than one, because they have a good return for their labor: If they fall down, they can help each other up. But pity those who fall and have no one to help them up!"*

*Ecclesiastes 4:9-10*

# He Is My Freedom

By Debbie Alsdorf

Time and again we have heard that we have freedom in Christ. Freedom from mistakes, grace for our guilt, and peace for our imperfections. Yet most of us would admit that we are burdened by emotional wounds and negative thoughts. As we try to be the perfect wife, mother, and friend, we're left feeling frustrated and inadequate. We feel anything but free. So how can we experience true freedom [in our lives]?

*He Is My Freedom* is a ten-week journey of spiritual [renewal and] rejuvenation. This study presents biblical truths that will release you from the pressures of perfectionism and enable you to fully give your worries to God. You'll find freedom from your past, joy for today, and hope for the future.

## Debbie Alsdorf

Debbie accepted Christ at the age of 17 and felt a call on her life. Though she didn't understand what that meant, she did everything she could to try to be her best for God, which eventually landed her on a wheel of performance and perfection. After going through a painful and humiliating ministry divorce, she was left not knowing who she was and if her life really did have purpose. After years of believing she was called to minister to women, she was left feeling unqualified and unusable. She decided to get serious about her faith and discovered a love of God that changed her whole life.

In 2000, she founded Design4Living Ministries.

## Design4Living

*Design4Living* ministries exists to equip and encourage women in their personal relationship with Christ. The core of the ministry is dedicated to helping women understand God's love at the core level in a way that changes the way they live.

Their mission statement is based on Matthew 22:37 and Colossians 1:16:

*By God-and For God  
To Love God-and Love Others.*
